

When Electri-Tech Inc. opened its doors in 2009, my first priority was to conquer, at the time a weak commercial electrical service field that was lacking in a great electrical service contractor. The first thing about a great electrical service department is reliability, dependability and efficiency without compromising safety. Electri-Tech is all of that and more. We pride ourselves on providing exceptional electrical service to all of our clients and will always be committed to respecting our valued client's time. This means showing up and working efficiently.

We have proudly earned a reputation for our safe, high quality work and our exceptional customer service. Electri-Tech Inc. is a licensed, bonded & insured electrical company, proudly serving the North Carolina triangle and beyond...
